Trucks & Construct Issue 6-2018
 Models of trucks, construction machinery
 Context included
 Scratch built
 ÖAF Tornado
 Collector's portrait Jo Mathis - Mister Sauer
 TMC 1:50 Hitachi ZX490LCH-6
 Conrad 1:50 Delmag RH 18/200

Toni Schäffer fights winter weather with his ÖAF – yet another example from René Tanner's work bench. The new Cat 6090 FS from CCM sets multiple new high marks for models. Jo Mathis prefers to build his models himself. TMC releases the Hitachi ZX490 and Conrad the Delmag RH 18/200.
